regenerating hope in young lives

Yate and Sodbury Churches Partnership for Children and Youth Ministries

Who We Are:

Regenerate is a Christian schools work charity operating in the Yate and Chipping Sodbury area and supported by the local churches and YMCA. We are passionate about serving our local schools and bringing hope to children and young people. The organisation started life nearly twenty years ago with a team of volunteers going into local schools to take assemblies. Over the years the work has grown and in 2007 we became a registered charity. Today we regularly go into Primary schools in the area, working with children and young people through collective worship, Wonder Spaces and mentoring.

About Us!

Why We Exist:

To be an agent of change, living out and proclaiming the good news, unconditional love and hope of Jesus Christ in order to bring wholeness to the children, young people and families of Yate and Chipping Sodbury.

Our Work:

We deliver collective worship termly in our Primary schools. We run Wonder Spaces at Christmas , Easter and for Year 6 in the summer term., hosted by our local churches. These give pupils the opportunity to explore stories from the bible in greater detail and to 'wonder' about themselves and the world around them.

We have a mentoring team, going into schools once a week to work 1:1 with pupils who have been identified by schools as needing emotional support.

The Future:

We have an excellent reputation and track record amongst schools in the Yate and Sodbury area and have a unique opportunity to carry a message of hope and whole life transformation. Schools are under increased pressure, be it financial, to raise standards or to provide the best care and nurture they can. There is pressure on staff and senior leaders as they must respond to the needs of the local community. Our vision is to be a presence in and around our primary schools, to not only share and support young people but the whole school community,

How You Can Help:

As a charity we are supported by the churches of Yate and Sodbury. We are overseen by a board of Trustees who are representative of the local churches and employ 2 paid staff, who oversee a committed and valuable group of volunteers who make the work happen. As a small charity we are so grateful for all those who give their time, energy and financial support – we couldn't exist without you!

"One of my favourite things about Regenerate is their passion for education. They talk to the pupils in an appropriate way, simplifying questions and listening."
